PETITIONING THE COURT

- ☐ To extend the term of supervision for _____ years, for a total term of _____ years.
- ☒ To modify the conditions of supervision as follows:
The defendant shall pay the balance of any restitution previously ordered at the rate of not less than \$25.00 per month, to begin March 1, 2019, and continue throughout the period of supervised release.

CAUSE

At sentencing, Davis was ordered to pay \$351,910.25 in restitution at a rate of not less than \$100.00 per month. Since beginning her term of supervised release in March 2018, Davis has struggled to make consistent monthly payments. According to information obtained from a recent financial investigation, Davis has approximately \$1,100 of monthly income but expends \$1,265 in monthly living expenses. Based on the financial records received from Davis, she is unable to pay restitution at the rate of \$100 per month.

Based on the offender's current financial status, this officer respectfully recommends that Davis' restitution payment be reduced to \$25 per month. Davis signed Probation Form 49 waiving her right to a hearing before Your Honor and agreed to the proposed condition. It is recommended that Your Honor order the modification of conditions as noted above.

Respectfully submitted,
